Report: A remedial class was organized on 18.04.2019 for the students of Sem-II, Bengali General. 27 students were present in the class. Some students are observed to be very weak in class tests. Keeping them in mind, this class was arranged for good results in their final exams. The students were provided with sample questions-answers, some study material in the topic of 'Balpo: Proarat Kumar o Samat-chandra'. Some stories of Proarat Kumar were explained well to them so that they could easily identify their weak areas in this topic. In this remedial class their concept was clear and they must be performed well in the next examination.

Report

Remedial classes for sem. III Hons are organised based on their performance in class. At the same time, importance has been given to the matter of the upcoming internal assessment. The students have been given study material and sample questions so that the subject matter is more clear to them. An attempt has been made to present the topic discussed in class more simply to them. At the end of the class, during the question-answer session, their doubts were cleared and they became confident.

10.	G-183.	Sabyasachi Das

A remedial class was arranged for the students of Semester
III (Gen) Sanskrit on 16/12/2019. It was noticed in the class test
that some students did not performed well. So it was decided that
these students would be provided with remedial teaching keeping
in mind the upcoming semester - III (Gen) examination.
Consequently the students were provided with sample questions
and answer to make them understand the lesson better.
The syllabus was basically explained to them, so that they
easily identify areas in which they can score easily.
The module "Abhiganasakantalam" was explained to them
again to help them understand the difficult concepts
and perform better in the next examination.
