Report of Bengali Department seminar On 28th March 2023

a state level seminar was organised by the department of Bengali in the college. Eminent poet, scholar and critic Dr Aditya Mukhopadhyay and professor Phalguni Bhattacharya were Present as speaker. They gave their valuable speech in the seminar. Dr Mukhopadhyay mainly shed light on how folk life of Birbhum is reflected in Tarashankar's Literature. Tarashankar Bandopadhyay the powerful fiction writer of Bengali literature has revealed various aspects of public life in his novels and short stories. Dr Mukhopadhyay clearly presented that how Aaul-Baul of Birbhum, various levels of sakta-Vaishna Sadhana and folk principles, folktales, proverbs, suktis etc. have emerged in Tarasankar's writings. Dr Falguni Bhattacharya presents various aspects of Birbhum's extinct folk culture, language and social behaviour with sincerity. He identified the characteristics of people's life in the perspective of how modern life is creating obstacles in the field of sociality. at present small families have been formed by breaking up joint families, distance have been created between people, village culture has been swallowed up by urban culture -- as a result the folk beliefs and folk language that can reach the deep sources of society is getting lost. This truth emerged in his discussion. He also pointed out that the character of folk life of the Birbhum was gradually changing. Students actively participated in the seminar. A proper academic atmosphere was created through question and answer. More such seminars will be organised in the future
